### All-Skills Volleyball Camp

#### June 16-19 and/or July 14-17

The **All-Skill Volleyball Camps** will emphasize the fundamental elements of the skills required for all levels of volleyball players to succeed. The Camp is at **the MAC** in Lewisville near I-35 and Corporate Drive. Directions are on our website.

**The camp guarantees a twelve-to-one player-to-coach ratio.** Each camp will be four days of instruction (Monday-Thursday). These camps have been full for the past five years, but now that we have access to the MAC, we are pleased to be able to accommodate more campers.

In the All-Skills Camps, all players will work on all skills: serving, passing, setting, attacking, blocking, and defense. Each day certain skills will be emphasized and will culminate with a competitive game where points are earned based on the "skill of the day." In the High School Skills Camps, players will be grouped with similar positions where appropriate for passing, setting, attacking and attacking (i.e. MB, OH, S). The status of your enrollment will be confirmed on our website. A chart will be maintained on our website under "Summer Programs."

If the camp you apply for is full, then you will be placed on a waiting list for that camp. **All camp places will be awarded based on the date the registration was received.**

The cost for the All-Skills Camp is \$150. This includes volleyball instruction, video analysis of serve for middle school players and video analysis of attack for high school players, a T-shirt, and Certificate of Completion. A player may enroll in both camps and receive a \$50 discount.
